

## SUPPORTED FORMATS

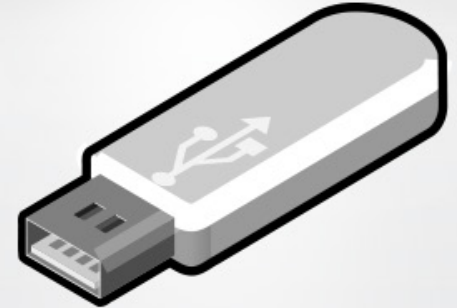

### VIDEO

.mp4/.avi (H264 Codec)  
1920 x 1080

### IMAGES

.jpg  
1920 x 1080 (Landscape)  
1080 x 1920 (Portrait)

All our TV's support playback of compatible media files via USB

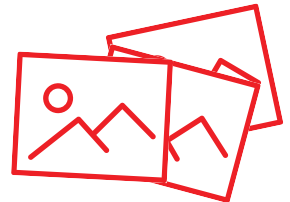

### KEY TIP

- ▶ Microsoft PowerPoint files require a laptop and PowerPoint software

### SLIDESHOW OF IMAGES

- ▶ Supply all your .jpg images in a folder on your USB. Number or alphabetise file names to order playback of files.

### CONTENT TESTING

- ▶ Send a link to your content to [expo@microhire.com.au](mailto:expo@microhire.com.au) advising the event, location and date and we will test it for free!
